by Daynan Brazil
Directed by Karen Gibb

Full Throttle Theatre Company is the creative fuel for regional North Queensland. The company develops the skills of regional artists, keeping our region connected with high quality arts products and industry professionals. Townsville is the backdrop for this professional theatre company that has been touring around the region for nearly ten years and performing interstate, intrastate and abroad for 23yrs.

Three Blokes and Their Barbies makes audiences laugh out loud! Join these 3 boguns as they espouse back yard wisdom and take you into the world of the Aussie male through song, dance and their hilarious banter.

This comedy sketch show has live music, real beer and 5 star entertainment value. *Blokes* is a satirical look at one of our great Aussie icons – the Bloke. Complete in his flannie, thongs, mullets and AC/DC, *3 Blokes and their Barbies* showcases all the glitz and glitter of cabaret that would make Graham Kennedy proud!

If you like sketch or stand up comedy, then you'll love Three Blokes and their Barbies. One of the funniest shows I've ever seen. Don't miss it!
