## FLAMENCO FIRE – PRIMAVERA MIA

Flamenco Fire - *Primavera Mia*...The ritual of the celebration of the new spring. A celebration of birth and life. A time for song and dance. Centred around beautifully crafted dance ensembles, and a fully choreographed lighting and stage display, *Primavera Mia* will transport audiences to the spring fiestas of Spain.

Since 1999, Australia's only national flamenco dance company - Flamenco Fire - has been thrilling audiences with a heady mix of traditional and contemporary flamenco dance, music and song. A collaboration of Australia's finest flamenco artists, the Flamenco Fire company creates beautifully crafted productions that reveal the flamenco art form in all of its guises. Using original content, the performances are a fully choreographed and orchestrated presentation of this unique contribution to contemporary Australian dance.

*There's no need to wait for touring Spanish exponents to see the best of flamenco: it's right here on our doorstep. The company led by Artistic Director and guitarist Andrew Veivers and dancer Simone Pope, are Australians with flamenco souls.
